CATALOGUE  
2018 • 2019

Fendi Casa delinea un lifestyle sofisticato sinonimo di nuovi concetti dell'abitare, residenze contemporanee in equilibrio fra tradizione ed innovazione. L'uso sapiente dei materiali pregiati e il più alto savoir-faire fanno da cornice ad un progetto di interior decoration all'insegna della perfezione artigianale.

Tipicamente italiana, la Collezione Fendi Casa racconta le accoglienti dimore di un esteta cosmopolita, da Los Angeles a Miami, dal Lago di Como a Montecarlo, fino al Marocco e New York. Un'estetica ispirata alla cultura di un viaggiatore moderno che riflette l'essenza di un lusso contemporaneo.

Le linee degli arredi, eleganti e raffinate, sono un invito al comfort e al relax, esaltate da tonalità ottanio, grigio, caramello, verde lago, avorio e bianco puro. Sofisticate nuance di rosa dialogano con colorazioni pastello, enfatizzando le sfumature di una palette cromatica elegante e ricercata.

Soluzioni del vivere quotidiano che combinano la tradizione italiana a note sperimentali, avvalendosi di collaborazioni con talentuosi designer, come Toan Nguyen, Thierry Lemaire e Marco Costanzi.

L'artigianalità di FENDI è declinata in impeccabili rivestimenti in tessuto di ispirazione sartoriale talvolta sapientemente abbinati a morbide pelli, creando inaspettati giochi di contrasti come nei divani Palmer e Montgomery. Gli artigiani Fendi Casa realizzano da sempre mobili e complementi unici, celebrando i valori della Maison Romana all'insegna del Made in Italy.

In linea con il DNA di FENDI, la straordinaria competenza manifatturiera incontra l'abilità di lavorare con precisione i materiali, rivelazione di padronanza estetica e tecnica.

La Collezione Fendi Casa combina essenze esotiche - ebony Macassar, sicomoro, zebrano, Tan Pear, palissandro - con contrasti di finiture metalliche insieme a nobili marmi Emperador Dark, Carrara e Marquina. Divani e poltrone, fatti a mano e altamente personalizzabili, sono esaltati dall'uso di pelli dalle grane alleggerite e tessuti preziosi come cotoni che richiamano la morbidezza del cachemire e della lana. Pregiate sete, jacquard e velluti sono realizzati seguendo meticolosamente antiche tecniche nel segno della più alta qualità. Fendi Casa coniuga armoniose contaminazioni tra design e moda, in un processo osmotico di arricchimento stilistico e funzionale all'insegna di un'eleganza senza tempo.

Rooted in a tradition of savoir-faire, craftsmanship and innovation, Fendi Casa embodies the essence of a sophisticated yet contemporary cultured home. With the material mastery of a long tradition of excellence, Fendi Casa offers a complete range of designs crafted with the highest level of expertise and symbolic of the Italian taste.

The Fendi Casa Collection delineates a sophisticated lifestyle across the world, from Los Angeles to Miami, from Lake Como to Monaco, from Morocco to New York, yet with an Italian flair. The designs, inspired by a well-travelled way of life, have at their heart a cosmopolitan.

The shapes exude an inviting comfort yet with lines that are sleek and elegant and rendered in sumptuous tones of teal, grey, caramel, lake green, ivory, and pure white. Sophisticated shades of pink are blended with pastel colors, emphasizing the nuances of a refined color palette.

A full range of offerings that combine the Made-in-Italy tradition with design experimentation, in collaboration with noteworthy furniture designers, including Toan Nguyen, Thierry Lemaire and Marco Costanzi.

FENDI unique savoir-faire is translated into unique textile upholsteries, enhancing the sartorial allure of the Collection, wisely coordinated with soft leathers and creating unexpected contrasts, as in the Palmer and Montgomery sofas.

Fendi Casa artisans create distinctive furnishings celebrating the FENDI heritage and Made in Italy.

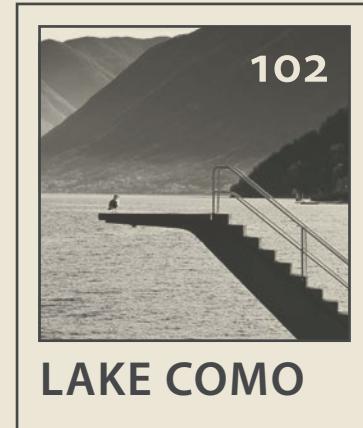

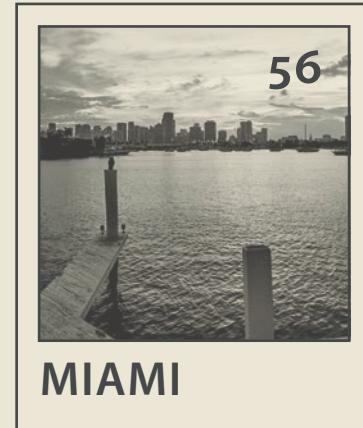

Synonymous with the FENDI DNA are an extraordinary mastery of artisan techniques, and know-how for mixing the most precious materials in bespoke creations. The Fendi Casa Collection of home design combines exotic woods such as ebony Macassar, sycamore, zebrawood, Tan Pear wood, and rosewood with gleaming contrasts of metal finishes along with noble Carrara, Marquina, Emperador Dark marbles. Sofas and armchairs, in a range of customizable choices, feature soft leathers and precious fabrics - cottons recalling the cashmere-touch, hand-woven silks, jacquard and velvets; each painstakingly produced with time-honored techniques for the highest quality.

Fendi Casa harmoniously combines design and luxury in a project that celebrates the idea of beauty while enhancing mutual affinity and functional design rendered with timeless modernity.

# MATERIALS & FINISHINGS

**Descrizione** → I materiali utilizzati in ogni prodotto sono di alta qualità, lavorati da personale esperto e controllati accuratamente lungo tutto il processo produttivo. Eventuali segni riscontrati nei rivestimenti in pelle, non devono essere considerati difetti, ma caratteristica naturale della pelle stessa.

**Description** → The materials used for all the products are of high quality, manufactured by qualified staff and carefully checked all along the production process. Any possible mark or imperfection on the leather covers should not be considered manufacturing fault but natural features of the leather itself.
